

¿Qué ha pasado?

I have lost my passport = _____

My purse has been stolen = _____

Look at the verbs in the box below, what do they all mean? How would you say them in the perfect tense?

Use the verbs in these roleplays.

1. Your bag has been stolen, you had your purse and passport in it. You noticed it was missing when you were at a restaurant and you had it under the table. Explain what has happened.
2. You work at la comisaria and are taking an initial statement, you need to know what has happened, where they have been today and when they are travelling home (this is in the future!).
3. You have left your passport in the hotel room and now it isn't there. Tell the receptionist, you have looked in the room and your bag but can't find it.
